

# Canfor High School Scholarships

## Considering a future career supporting the forest industry?

We want to help you reach your goals!

To support our future foresters, business and wood products manufacturing leaders, and skilled tradespersons, we're offering up to four scholarships per high school in our operating communities.

### Eligibility

To meet the minimum requirements, you must:

-  Be a Canadian or U.S. citizen or permanent resident attending a high school in one of our operating areas
-  Be enrolling in an eligible post-secondary program (see under Areas of Study)

### Application Process

Ask your school counsellor, Awards Committee or Administration to be nominated.

- 1** You submit a completed application form to your school
- 2** Your school reviews your application, confirms your eligibility and nominates you
- 3** Canfor reviews nominations and selects scholarship winners

Once selected and enrolled in your program, you will be required to provide proof of post-secondary program registration to receive payment of your scholarship.

You may be eligible for a \$1,000 Canfor scholarship!
